Dear Sir (Isaac Cooper),

The enclosed is left open for your perusal, the subject of the State Road as you will see (for it is presumed you have a copy of the letter we have recd. for our agent Mr. John Fine) is of the greatest importance to the township of De Kalb and we flatter ourselves with all your aid and influence and on which subject we shall be happy to receive any communications. The deed and paper you will receive in a few days. They have been executed on our parts.

We remain
