

New York, 1 November 1815

Sir (Isaac Cooper),

We beg leave to annex copy of our letter to you of 13th March last, also one to Mr. Henry Albert of 10th April. We have mentioned to him certain prices of articles to paid in for rent but are not certain that they are correct. We have written Albert to that effect and referred him to you. Our Letter to him was agreeable to his request left in the Post Office at Albany to remain there until called for. It was no therefore our fault that he did not receive it. We must therefore request you to date all New leases on the first of may last. We have written him that they will be dated at that time. We remain with respect &

Regard

Dear Sir

Your most hble Servants,
