

Ogdensburgh 17th Feby 1811
Sir (Richard Cooper)

Last summer I had stored with me for the heirs of Wm. Cooper two hundred and eighty eight barrels Onondaga salt. If you wish to sell the salt at a fair price and on one years credit I will purchase the whole quantity. Should this meet your approbation you will please to write me the lowest terms you will sell on.

Your Humble Servant,
C. D. Raymond
