

Ogdensburgh, 25 June 1805

Sir (Wm. Cooper)

We received by Wm. Bell your letter enclosing us sixty five dollars & 20/100. Among which is twenty dollars of Eastern money, which can be of no service to us at this place. And which cannot be exchanged at Albany but with a considerable discount. Our great hurry of business at this moment prevents our examining your account. I shall however do it shortly.

Were Yours,
Ogden & Ford
