D. C. Watters "

C. F. Laddell "

D. A. Moon acting as Secy of meeting.

Resolution offered by Leonard seconded by Halland
carried-

Resolved, That the Town of DeKalb, will
furnish, as it is now doing to keep with
CWA work; to wit,

Its entire road building outfit, which
includes one stone crusher with bins, one
tractor to furnish power for same, one air
compressor with drilling equipment, Compter
three dump trucks of one and half tons capacity,
a large quantity of small tools such as
brushes, pruners, scythes, axes and saws.

We also stand willing to cooperate with
CWA officials at any time with the
prospects always in view that the work
now being carried on by the CWA is
a great aid to the citizens of our Town.
