

Name \_\_\_\_\_

## **Children and Air Raids**

- 1.) Who was responsible for developing an air raid protection plan for Gouverneur school children?
  
- 2.) How much warning time were children supposed to have to get home?
  
- 3.) What was to be used for air raid signals in Gouverneur?
  
- 4.) How long would the whistle blow?
  
- 5.) What is to happen to all lights at the sound?
  
- 6.) For homework: Ask your grandparents or other elderly friends or neighbors if they have ever experienced a blackout? Write description of their experiences to share with class tomorrow.
